Internal Memorandum

August 1, 2023

Toronto, ON

To: OHBA Membership

From: OHBA President and Board of Directors

Subject: OHBA CEO Transition

Dear fellow Members of OHBA,

I am reaching out to advise that Luca Bucci (CEO) is no longer with the Ontario Home Builders' Association, effective today, August 1, 2023.

To ensure continuity going forward, I will be assuming a more active role in the day-to-day management of the Association, with the support of The Board of Directors and Association staff until such a point that a new leader is named.

The Board of Directors will retain an executive search consultant to support the HR Committee in the recruitment and selection of a new CEO, and no changes in the Association's goals and objectives are planned at this time.

We assure you that the Board of Directors is deeply committed to ensuring the continuity of services and advancing the current strategies in place to provide high-quality services to all members.

Louie Zagordo
President, Ontario Home Builders' Association
